Thank you for taking the time to contact me with your concerns, comments, and suggestions. As State Representative for the townships of Bruce, Washington and Shelby, and the Village of Romeo in Michigan's 36th House District, I greatly appreciate hearing from you on the important issues affecting us. Be assured that your comments and questions are important and help me to better understand and represent you here in Lansing.

Please know that this is an automated message from me to acknowledge receipt of your e-mail. My staff and I will work to address your concerns and answer your questions as quickly as possible. However, some issues are more complex and may require additional time before a complete response may be given. If you need immediate assistance, please contact my office by phone at (517) 373-0843 or toll-free at 888-642-4737.

Due to the volume of not just "spam," but also of legitimate "mass e-mail" from activist groups and others, it would greatly accelerate our response if we know you live in Bruce, Shelby, Washington, or Romeo and you provide your name and address. If your original message did not include your full home mailing address, and you would like a response to your comments, we ask that you please reply to this message with your name, full address, and phone number, and we will prioritize it accordingly.

In addition, please be aware that legislative courtesy requires me to refer individuals from outside my legislative district to the appropriate Representative.

Again, thank you for taking the time to contact me. Your suggestions and opinions are important to me and are always welcome.
